Simplify Before You Organize

## Ruthann Betz-Essinger, Certified Professional Organizer®

Say goodbye to clutter and stress.  
Increase your productivity.  
Enjoy every day more.

It's easy to simplify and take control of your life when you have the right plan. Just Organized helps you create and implement a customized organizational systems to fit your unique situation.

We provide a working solution that you can use for a lifetime.

Ruthann understands that you have your own needs and your own way of doing things. And that's where she starts. First, she listens to you and your particular needs whether it is clutter, time management, or productivity. Then she works with you to develop a plan.

We're your best "can-do" resource for organizing and simplifying your home, your business, your life.

You'll be amazed at just how little it takes to make some of your biggest "messes" go away. Ruthann Betz-Essinger shows you the right organization system for you - and she provides follow-up maintenance visits to help you stay on track. Ruthann does the detail work, so you don't have to, freeing you to focus on the big picture and the things you enjoy.

### Here's what satisfied clients are saying about Ruthann Betz-Essinger:

*"WOW! Ruthann is an answer to prayers! She took my particular style and temperament into account then helped me maximize my time and space. She's great!" - Alicia*

*"I love my new organized areas in the pantry, laundry room, the home office and the kid's closets. You have made our lives so much easier. The kid's love the areas you created for all their art supplies. I'm telling all my friends to call you!" - Jamie*

*"I am an Adult with ADD and the solutions that Ruthann brought to my professional life were so dead on as to what I needed, I made her come home with me. She listens and creates routines and organized spaces for your needs." - Jennifer*
